

**Saint Jerome School  
Extended Day Program Information  
School Year 2015 - 2016**

August 2015

Dear Parents,

We are in the process of organizing the Extended Day program for September and would like to have the best possible sense of the enrollment.

I have attached the rate sheet and registration form for the 2015-16 school year. Please take the time to review them and determine, as best you can at this time, your needs for next year. You can always adjust your days as your schedule unfolds.

If you have any questions or suggestions please feel free to share them with us. We open for business on Tuesday, September 8, 2015.

Thanks for your prompt response and enjoy a wonderful summer!

Sincerely,  
Mrs. Puleo
