

Thank you for your interest in our three-year old program at Saint Jerome School.

Beginning September 2014, **we will offer a three-year old program** with 5 half days, 3 full days or 5 full days. For convenience, the daily options mirror those available in our K-1 (4-year-old) program. Additionally, beginning in the summer of 2015, we will be making the summer camp available to all grade levels for 8 weeks, providing close to a year-round option for working parents. We hope this will meet the needs of our current families and be attractive to others in the surrounding communities. Please help us to spread the word about this exciting opportunity! If you (or family and friends) are interested in learning more please call the office at 781-335-1235 or e-mail us at stjerome.school@comcast.net .

We will be putting together a brochure in the weeks ahead with lots more of the exciting content your child will experience at Saint Jerome School!
